N
Sketch Elevation:
- Timber cladding
- Gable with clock retained
- Character of existing pavilion
- Terrace creates outdoor seating area
- Changing rooms clad in stone
Pavilion remains single storey to minimise impact on existing tree canopy
Indicative Root Protection Area (RPA)
Sketch Section:
- Single storey similar to existing
- Avoids impact on tree canopy
- By developing on previously developed footprint and hard standing, impact on the RPA is minimised
- Pitch roof retains character of existing
KEY
• Existing Pavilion
• Existing Hard Standing
