(b) CE Car park/field, Allotments and other assets

Allotments – no matters. CE Toilet Block – ok. Defibrillators – all ok but 3 sets of pads need ordering before year end. The investigation into .gov.uk domain only works for parish only websites and is deemed not necessary at this time. The memorial bench for Moor Lane on FP9 DCC licence has been applied for. The Christmas tree proved too far for the telehandler to reach and is being reassessed for lights with a view to felling and using a shortened section next year and trees imported until the replacement tree reaches usable height. Grit bins to be checked and one on The Grove is reported to have been dragged out of position.

(c) Church and Field Footpaths

Nothing further has been received from the landowners and the clerk will ask for a response for our next meeting.

(d) Traffic Survey report – Highways response was disappointing and the officer will be contacted to allow publication of his remarks in the February Bugle.

(e) Sports Pavilion Sub-committee – fund raising progress report was circulated and will be uploaded to the website once the important sports funding section is completed. The £1million+ project needs consideration for funding as many pots are fast disappearing. The Loan Board has been investigated as one possible solution for a 50 year repayment plan but needs village approval so will only be considered if there is a shortfall once other options are exhausted due to the excessive interest charged. A meeting with the Architect and report writer is to be held to agree next steps.
